

Stuart Rigg, England

better, together

better, together

Living independently in the community

better, together

Your own home and the right support

better, together

What would you choose?

?

better, together

better, together

What is important to you?

better, together

better, together

You choose where you live

better, together

You choose who you live with

better, together

A D VANCE *better, together*

..... and who supports you

A D VANCE *better, together*

What does a home of
your own in the
community really mean?

better, together

better, together
